# PENN PILSNER

VIENNA STYLE LAGER/AMBER LAGER

S  
P  
E  
C  
S

ABV  
5.0%

OG/plato: 12.0

FG/plato: 2.5

Hops: Hallertau Perle  
and Tradition

Malt: 2-Row, Caramel

## Tasting Notes:

An amber-colored Vienna Style Lager Beer with toasted nutty hints. Soft, elegant, and complex, with just enough Noble hop presence to provide a balanced finish.

## FOOD PAIRINGS

Bacon, Pizza, Burgers, Nuts and Nutty Foods, BBQ, Roasted Meats, Grilled Vegetables, and Meats, Cooked Cheese Dishes, and Fried Fish.

## AWARDS

National Beverage Tasting  
Institute - Gold Medal  
2001

Although rarely brewed in its home city of Vienna, Austria, this close relative to the Oktoberfest and Märzen styles of beer has been well-popularized elsewhere. Before the invention of mechanized kilning, maltsters would dry their germinated barley over direct heat or fire, resulting in a darker, often smoky, malt that was difficult to make consistent. When central European brewers learned of forced-air kiln drying already in place in England, a pale malt revolution in continental Europe began. Vienna lagers were released alongside Märzen in 1841. One year later Pilsner hit the market. Although today extremely pale, straw-colored, crystal-clear beers are common, this early pale/amber lager style was novel at the time, as it was a very light color compared with its predecessors.
